# Dual Qualification Certificate I & II Construction

(CPC10120/CPC20220)

This course provides students the confidence, knowledge and skills to continue into a construction pathway of their choosing. Our comprehensive training focuses on general construction skills and workplace preparation. Students will enjoy applying their skills and knowledge to practical construction projects including safety at work, planning and organising work, workplace communication, carrying out measurements and calculations, handling construction materials and many other on site essentials. Certificate I Construction includes a General Safety Induction course (White Card) a necessity to work on construction sites in Queensland.

## Course Components:

- **CPCCWHS2001** - Apply WHS requirements, policies and procedures in the construction industry
- **CPCCWHS1001** - Prepare to work safely in the construction industry
- **CPCCOM1013** - Plan and organise work
- **CPCCVE1011** - Undertake a basic construction project
- **CPCCOM1012** - Work effectively and sustainably in the construction industry
- **CPCCCM2005** - Use construction tools and equipment
- **CPCCCM2004** - Handle construction materials
- **CPCCCM1011** - Undertake basic estimation and costing
- **CPCCCM2006** - Apply basic levelling procedures
- **CPCCCM1015** - Carry out measurements and calculations
- **CPCCCM2001** - Read and interpret plans and specifications

## Additional competencies for Cert II:

- **CPCCCM2009** - Carry out basic demolition
- **CPCCJN2001** - Assemble components
- **CPCCCM2012** - Work safely at heights

*Please note: Minimum student numbers are required for a course to proceed.*

**04**  
QCE Points on completion

**01**  
day per week at SCTTTC

**12**  
month delivery - 4 school terms

**80**  
mandatory hours of structured work placement in industry
